

Unapproved Minutes

Board of Commissioners of Converse County

The special meeting was called to order on June 12, 2008 at 1:00 p.m. Present were Chair Jim Willox, Vice-Chair Ed Werner, Commissioner Mark Cash and County Clerk Lucile Taylor.

The special meeting recessed into a public hearing to obtain citizens' comments on the revision of Section 2.45 Minor Subdivisions of the Converse County Subdivision Regulations. On May 27, 2008, the County suspended the regulation and is not accepting applications for minor subdivision permits that would be processed under this section for a period of 120 days.

Comments: Mr. Artie Schubert discussed subdivisions in Natrona County that dealt specifically with exemptions and the three definitions of subdivisions in that county. With each level of subdivision, the requirements (standards) change. The Converse County Planning and Zoning Commission and the County will pursue better and clearer language for subdivision applications and will begin the process to rewrite the Converse County Subdivision Regulations to address the new laws effective July 1, 2008 and needed changes within the current regulations.

The public hearing adjourned at 1:29 p.m. and the special meeting reconvened to adjourn at 1:30 p.m. /s/ James H. Willox, Chair

Attest: Lucile K. Taylor, Converse County Clerk
