

**Converse County  
Bore and Public Utilities Right of Way Permit**

CONVERSE COUNTY, acting by and through its Board of Commissioners, hereinafter referred to as the "Board", hereby evidences its permission that \_\_\_\_\_ (applicant) of \_\_\_\_\_ (company), State of \_\_\_\_\_, may conduct the following activities within the right-of-way easement granted heretofore to Converse County for a county highway, to wit:

\_\_\_\_\_ ; that the location of such activity shall be limited to that portion of Converse County Road Number \_\_\_\_\_, commonly referred to as the \_\_\_\_\_ Road, located in: \_\_\_\_\_ (township, range and section), mile marker \_\_\_\_\_ on CR \_\_\_\_\_.

The Permittee hereby acknowledges and agrees as follows:

1. That the permit hereby allowed is conditional to the extent that the right-of-way granted to Converse County may have been given for the limited and expressed purposes of laying out, constructing and maintaining a county highway and that the Permittee's may be in conflict therewith and, therefore, subject to objection by the grant of the right-of-way or his heirs, executors, administrators, successors or assigns, in which event it may be necessary and required that the Permittee remove his activity and facilities from the right-of-way, in the alternative, to make appropriate agreements with the grantor of the right-of-way, or his heirs, executors, administrators, successors or assigns for the additional use.
2. That the Permittee shall forever indemnify the County of Converse, its Board and its officers, agents and employees and otherwise hold them harmless from all liability or expense for damage to the property of others or for injury to or death of any person arising wholly or in part or in connection with the construction, maintenance or use of such facility by the Permittee.
3. That the permit herein given is exclusive and shall not be assigned, modified, or in anywise transferred without the prior written consent of the Board.
4. That the facility of the Permittee shall be placed in such a manner as will conform with recognized standards and applicable federal, state or local laws and ordinances and as otherwise directed by the Board.
5. That public utilities including but not limited to utility line poles, cables and all buried public utilities will be as far as possible from the center line of the road, and in no case will the poles be closer than Twenty Eight Feet from the center line of the road without the express consent of the board of County Commissioners
6. That utility lines and cables be buried at a minimum depth of thirty-six (36) inches. All other utilities at the depth required by federal, state and/or local laws. All bores within the right of way must be a Minimum of Ten Feet under the right of way.
7. The facilities of the Permittee shall in no way interfere with, or encroach upon, the use of the county road by the public; provided however, that in instances whereby it becomes necessary for the Permittee to traverse the roadway, notice of such intent shall be given to the **Road & Bridge Department, not less than five (5) days prior to commencing work.** Such activity shall be subject to the supervision and inspection of the Board or its representatives, and Permittee shall place permanent type markers on each side of the road, at places designated by the Road and Bridge Department, **locating the location, direction, and phone contact information of said traversing facility.**
8. During all times of construction, maintenance and/or repair, the Permittee shall be responsible for the placement of proper advisory signs on either side of the work area, as regulated in the latest edition of **MUTCD** for streets and highways, additionally as the Board or its representative may direct, for the purpose of cautioning travelers upon county roads of construction activities and that danger exists; and, otherwise to take all reasonable measures to prevent injury to persons and/or property.
