RE: POSITIVE CASE(S) NOTIFICATION -NON RESIDENT.

DATE: Sunday, September 6th, 2020 1530 hrs

On Sunday, September 6th, 2020, the Converse County Public Health Department, in conjunction with Converse County Emergency Management, received notification of 1 (one) individual that tested positive for COVID-19 at Memorial Hospital of Converse County. This case IS NOT included in the Converse County case count as they do not reside within Converse County but work within the county or tested here. The individual is female, in her 20's. This information is being released to let the community know about confirmed cases that do not increase Converse County's case count.

To date, Converse County has had 37 positive cases. Currently, there are 7 (seven) active cases in the county with 20(twenty) additional people quarantined.

Representatives from the city, towns, and county are working in unison to ensure the health and safety of our residents. Statewide, the Covid-19 count is at: 3425. Recovered is at: 2918. For more information about STATEWIDE cases, please follow this link:
